NEGATIVE EQUITY PRIVILEGE

for New & Pre-Owned Vehicles

VARIABLE IN-STORE LOYALTY CREDIT TO ASSIST WITH A VEHICLE LOSS

SECUREDRIVE.CA

CONSIDER THIS:

If you experience a **total loss...**

(any instance where your vehicle has been declared a permanent loss by your insurer resulting from such things as collision, fire or theft)

and you have **negative equity...**

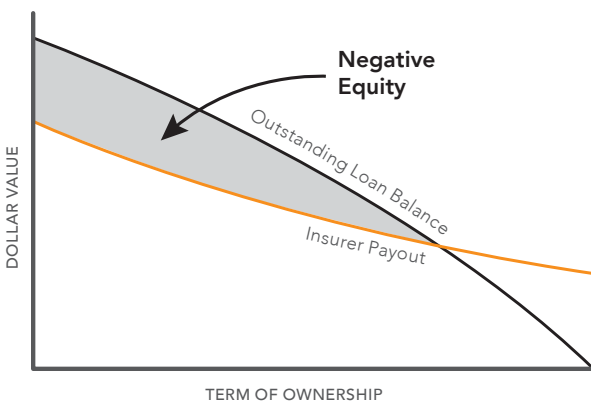

(when you owe more on your vehicle loan than what the vehicle is worth)

your insurer may only pay the **fair market value** of your vehicle.

How will you get a replacement vehicle?

LET US HELP

With Negative Equity Privilege, you are eligible for an in-store loyalty credit towards a replacement vehicle in an amount equal to the difference between your insurer payout and the remaining loan balance.

HERE'S A SIMPLE EXPLANATION

Your in-store loyalty credit is for the difference between the outstanding balance of the loan and the insurer payout.

Loan Balance

Insurer Payout

FOR EXAMPLE:

Outstanding Loan Balance	\$23,000
Insurer Payout	\$16,000
In-store Loyalty Credit	\$7,000

Vehicle Loss Privilege Program is not available in Quebec.

The graphs in this brochure are for illustrative purposes only and may not accurately represent values for your circumstance. Variable in-store loyalty credit is capped to 150% of the suggested retail selling price.
